## THE BUYERS

### ALL THE SINS $0\mathbf{F}$ SAINT INGRATITUDE is THE WORST!"

Just eighteen months ago the implement dealers of Maysville compelled you to pay \$55 for an 8-disc wheat drill. You were in their power. They were the whole show. You could not help yourself. You simply had to pay their price. Today you can buy as 8-disc grain drill of any of the most desirable makes for \$45 at the Price Fighter's. Eighteen months ago a 2-horse wagon would cost you \$58. Today you can buy the best 2-horse wagon would cost you \$58. Today you can buy the best 2-horse wagon would cost you \$58. Today you can buy the best 2-horse wagon would cost you \$58. Today you can buy the best 2-horse wagon would not be the construction of drills, wagons and all kids to the construction of drills, wagons and all kids to the construction of drills, wagons and all kids to the construction of drills, wagons and all kids when eighteen months ago? The old proverb runs thus: "Give even the Devillent that you can buy wan. Admit the truth. Confess that this great decline in prices was brought about by THE PRICE FIGHTER. I do not acknowledge any relationship to His Sat inic Majesty. On the contrary, I am expecting a reward in the future for the thousands of dollars that I have saved Mason county farmers. I also expect a reward in the future world for the straightforward, honest, upright, one-priced business that I am doing here. When Saint Peter answers the alarm and saks ame for the password the reply will be the Price Fighter of Mason county, Ky. But I would also like some reward in this world. Come, be fair. Am I not entitled to some consideration at your hands? Are you grateful for the decline in prices in this vicinity? It you are come and see me. I ask you for what I give you—a square deal. I have brought wheat drills down from \$55 to \$45. I sell all the most desirable makes. I ask you to call and examine them and give me your business. All things else being equal, if I can't convince you that the
